Le lastre si presentano a fondo bianco con venature di colore grigio e nero che lasciano ampio spazio al colore di fondo.

The slabs have a white background with grey and black veins which leave plenty of space for the base colour to show through.

Les dalles possèdent un fond blanc avec des veines grises et noires qui laissent beaucoup de place à la couleur de fond.

Die Platten weisen einen weißen Grundton mit grauen und schwarzen Äderungen auf, die dem Grundton viel Platz lassen.
